

Shubrojoyoti Nath

SUMMARY-

As an individual, I try to stay motivated and dedicate myself one hundred percent to whatever I take on. I like taking a calculated risk and doing all it takes to achieve my dreams. I want to build my career in optimal data driven decision making.

RELATED SKILLS

1. Java
2. J2EE
3. Machine learning
4. Matlab
5. Basic Python
6. Ms excel

PROJECTS

- 1.University e-notice Panel using J2EE.
- 2.Developing an Basic ATM (Automated Teller machine) using Java
- 3.Photo OCR with machine learning (ongoing)
4. Development of Movable DC Micro-grid with renewable source.(ongoing)

HOBBIES

1. Trekking & Travelling
2. Exploring Github
3. Coding

EDUCATION

Bachelor of Technology

July 2014 – Present

Electrical Engineering
National Institute of Technology
Silchar,Assam
CPI- 7.38/10.0

Senior School

2012 – 2014

Aryan Junior College,
Silchar,Assam
Grade 12th Aggregate 83.40%

Secondary School

2007 – 2012

Swarna Lakshmi Higher Sec.
School
Grade 10th Aggregate 76.83%

ONLINE COURSES

1.Machine learning

Learned common machine learning task like classification, regression and clustering.

2.Data Analytics

Familiarized with various concepts and steps involved in dealing with raw data and making predictions.

TRAININGS

1.Java

Learned object oriented concept of Core java.

2.J2EE

Learned about Java Server Pages(JSP), Java Database Connectivity ,HQL,HTML.

CO-CURRICULAR ACTIVITIES

1. Executive member of Mountaineering & trekking Club,NIT Silchar.
2. Went for Trekking at Adventure Camp IHCAE,Sikkim under Mountaineering & trekking Club,NIT Silchar.
